

Throughout ABEL Construction Company's 80 years of professional services, we have always been committed to safety on each and every project. We take pride to ensure all employees go home the same way they come to work. ABEL does not and will not compromise on safety.

EMR .56
44% BETTER THAN THE
NATIONAL AVERAGE

Our EMR (Experienced Modification Rate) for 2018 is 0.56! This rating proves ABEL's commitment to safety but what this means to our clients is we are experts in risk mitigation, lowering insurance and bonding rates which reduces project costs. If ABEL Construction Company can be of service to you, please contact us.
